Nebraska Wesleyan University

ENG 001 English Language and Writing

Catalog

2013-2014

Course Description

A course designed to help students write with clarity, confidence, and conviction through regular practice in writing (including argument and exposition, writing as discovery, and personal exploration). Particular attention will be given to the role of revision in the writing process. This course also includes a study of language and its social roles, with special attention to the origin, development, and current nature of the English language.
