**Nebraska Wesleyan University**

# NURS 548 Case Management

## Catalog

2013-2014

## Course Description

This course prepares the student to develop the role of case manager in a variety of settings. The student will use the stages of managed care to determine current agency progress and project future organizational status and programs. Students will develop a set of indicators of effectiveness and quality of care as well as plan for their analyses.

*Prerequisite(s): NURS 542 Finance and Accounting in the Health Care System and NURS 546 Nursing Leadership and Management II, or permission of the program director.*
