Nebraska Wesleyan University

EDUC 235 General Secondary Methods

Catalog

2013-2014

Course Description

A critical and functional study of effective methods of instruction with emphasis on the planning/teaching/assessment processes applicable for junior high and high schools. Students design and teach an interdisciplinary unit plan in EDUC 236 General Secondary Methods Lab that incorporates specific forms of instructional technology.

Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.

Corequisite(s): EDUC 236 General Secondary Methods Lab.

(Normally offered each semester.)
