Nebraska Wesleyan University

EDUC 240 Teaching Mathematics in Elementary and Middle Grades

Catalog

2013-2014

Course Description

This course focuses on the content and process skills of teaching and learning math in the elementary and middle grades. The course incorporates methodologies (including interdisciplinary approaches) for developing and implementing curriculum and assessing learning. Laboratory experiences are provided.

Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.

Corequisite(s): EDUC 244 Teaching Natural Sciences in Elementary and Middle Grades.

(Normally offered each spring semester.)
