Nebraska Wesleyan University

THTRE 217 Voice II

Catalog

2013-2014

Course Description

Advanced Voice is a course that focuses on the mastery and reinforcement of vocal techniques learned in Theatre 117, Voice I. Students will review the International Phonetic Alphabet and utilize principles in the transcription of more advanced texts, including classical texts. In addition students will learn advanced vocal techniques as well as strategies for sustained vocal health. Each student will prepare and present a series of oral and written vocal technique projects culminating in an oral examination.

Prerequisite(s): THTRE 117 Voice I or permission of the instructor.
