Nebraska Wesleyan University

THTRE 088 Scenography I

Catalog

2013-2014

Course Description

An introductory design studio course focusing on scenery, costume, and lighting design for the theatre. Students will design the visual world of a number of dramas, comedies, or musicals creating standard designer communication documents including sketches, renderings, and drafting. The course also emphasizes script analysis and visual research in the design process. Students will assemble a portfolio documenting their designs.

Prerequisite(s): THTRE 002 Script Analysis, THTRE 080 Approaching Scenography, and THTRE 081 Scenographic Techniques or permission of the instructor.
