Nebraska Wesleyan University

PRO 4090 CAPM Exam Preparation

Catalog

2014-2015

Course Description

This course builds on the foundational knowledge gained in the initial phases of the Project Management curriculum to further broaden and expand a students practice of Project Management in the context of preparing the student to sit for the Certified Associate in Project Management (CAPM®) certification exam. The CAPM® certification is offered by the Project Management Institute and recognizes individuals who have demonstrated understanding of the fundamental knowledge, processes and terminology as defined in A Guide to the Project Management Body of Knowledge (PMBOK® Guide) that are needed for effective project management performance.
