

NURS 599 Major Project in Nursing

3 hours

Majors (Grad)

Master of Science in Nursing (BSN to MSN)

Master of Science in Nursing (RN to MSN)

Departments/Programs:

Nursing (Adult Undergraduate and Graduate)

This course is a culmination of the graduate nursing courses in which the student will develop, implement, and evaluate a multi-faceted program related to the student's M.S.N. specialty area. The program will be research-based and incorporate theories, skills, and methodologies from prior course work. Emphasis will be placed on target populations and the compatibility of the project with the mission and culture of the organization in which the project is being conducted. NURS-599 may not be repeated.

Prerequisite(s): All other courses in the designated MSN specialty area.
