# POLSC 2110 Making Social Change: Political Activism and Grassroots Organizing

## Catalog

2018-2019

## Course Description

This class will give students first-hand experience making social and political change. Our goal is to understand how ordinary citizens work for social, economic, and political justice within their communities. Students will work with a grassroots organization to experience the way in which mobilization and change in Lincoln occurs.

## Course Hours

2 or 4 hours
