Nebraska Wesleyan University

POLSC 3930 Student Instructor Experience

Catalog

2018-2019

Course Description

Students in this course will assist one of the department's faculty in teaching a course. The faculty member and the student will write a learning contract at the beginning of the term describing the responsibilities of the student (e.g., grading, taking attendance, tutoring, facilitating class activities) and establishing the criteria for evaluation of the student's performance. For each hour of academic credit, the student will be expected to devote 3-4 hours a week to assisting with the teaching. May be repeated for credit. P/F Only.
Prerequisite(s): Approval of the instructor.
