Nebraska Wesleyan University

PRO 4050 Project Management Case Study

Catalog

2019-2020

Course Description

This course provides the students with the opportunity to experience the rigors of a disciplined project management process by working on a project from initiation through closing. Students are assigned to teams and given a project to complete. They apply the knowledge, skills, tools and techniques that they learned in previous courses of the project management curriculum to complete the project.
Prerequisite(s): PRO 3010 An Introduction to Project Management, PRO 3020 The Practice of Project Management 1, PRO 3030 The Practice of Project Management 2, and PRO 3040 Exploring Tools for Project Management.
