Nebraska Wesleyan University

THTRE 3700 Production Design I

Catalog

2020-2021

Course Description

An introductory design studio course focusing on scenery, costume, and lighting design for the theatre. Students will design the visual world of a number of dramas, comedies, or musicals creating standard designer communication documents including sketches, renderings, and drafting. The course also emphasizes script analysis and visual research in the design process. Students will assemble a portfolio documenting their designs.
Prerequisite(s): THTRE 1020FYW Script Analysis or THTRE 1030 Script Analysis, THTRE 2700 Introduction to Theatrical Design, and THTRE 2710 Scenographic Techniques or permission of the instructor.
