SOCWK 5570 Advanced Field Practicum

1-10 hours

Departments/Programs:

Social Work (Graduate)

This course provides students with supervised learning experiences in selected social work agencies. The experience provides students with opportunities to continue to develop and strengthen advanced social work skills and behaviors. Students will be required to complete 500 hours of advanced practicum. Students have the option of completing hours in one semester or over the course of one calendar year. The Field Director will place students in area agencies.

Pre or Corequisite(s): SOCWK-5420.
