Nebraska Wesleyan University

HHP 3720 Healthcare Policy

Catalog

2021-2022

Course Description

This course will focus on the inner workings of health care policymaking, from the legislative process to socioeconomic impacts, and reveals both modern and historical perspectives in detail. The student will explore factors that shape the U.S. health care system and policy, such as values, government, and private players, and compares them to other countries for international context.
Prerequisite(s): Junior standing or permission of instructor.

Archway Curriculum: Integrative Core: Human Health and Disease Thread
