

Major:

Athletic Training (B.S.)

Admission Standards for the Athletic Training Education Program:

Due to the nature of the athletic training major, students who wish to pursue the Bachelor of Science in Athletic Training degree must be formally admitted to the program. This is a selective admissions program, which limits acceptance to 12 students per year. Acceptance into the program is based on the admission material completed and turned in to the Program Director on April 1. To see all admissions requirements and to obtain admission materials, visit the [Athletic Training Education Program page](#).

The B.S. in Athletic Training is accredited by the Commission on Accreditation of Athletic Training Education:
