ENG 3410 Women Writing Across Cultures

Catalog

2016-2017

Course Description

Fiction and essays by women from various cultures (including the U.S., Europe, Africa, Latin America, and the Caribbean) will be the focus of this course. The multicultural, international reading list will provide students insight into the lives and experiences of women most likely very different from themselves; thus they can appreciate and learn from the differences and make connections across cultures.
Prerequisite(s): First Year Writing and sophomore standing.
Cross-listed with GEND 3410 Women Writing Across Cultures.
