Nebraska Wesleyan University

ENG 3960 Special Projects

Catalog

2021-2022

Course Description

A projects course designed to analyze and develop techniques and subjects not involved in any of the standard courses. The topic, content, and credit will be determined by current, mutual interests of students and faculty. This course may be counted toward a major emphasis area with the approval of the department chair.

Course Hours

1-15 hours
