

NURS 250 Population Based Nursing Practice

4 hours

Majors (Adult)

Bachelor of Science in Nursing

Majors (Grad)

Master of Science in Nursing (RN to MSN)

Departments/Programs:

Nursing (Adult Undergraduate and Graduate)

This course focuses on the application of community health nursing concepts with selected individuals, families, groups and communities. Health concerns of the group/community are identified and addressed using health program planning skills. Research is evaluated for its use in community health settings.

Prerequisite(s): NURS-205, NURS-231, NURS-233, NURS-234, NURS-236, NURS-240, and NURS-245.
