

THTRE 088 Scenography I

3 hours

Majors, Minors & Degrees:

Majors

Theatre Design and Technology (B.F.A.)

Departments/Programs:

Theatre

An introductory design studio course focusing on scenery, costume, and lighting design for the theatre. Students will design the visual world of a number of dramas, comedies, or musicals creating standard designer communication documents including sketches, renderings, and drafting. The course also emphasizes script analysis and visual research in the design process. Students will assemble a portfolio documenting their designs.

Prerequisite(s): THTRE-002, THTRE-080, and THTRE-081 or permission of the instructor.
