## Catalog 2013-2014

Department/Program:

## Education (Undergraduate)

### Majors, Minors & Degrees:

#### Majors

Elementary Education (B.A., B.S.)  
History-Social Science Education (B.A., B.S.)  
Language Arts Education (B.A., B.S.)  
Middle Grades Education (B.A., B.S.)  
Natural Science Education (B.A., B.S.)  
Special Education (B.A., B.S.)

#### Minors

Certificate in English Language Learning  
Secondary Education Endorsement

Education students may earn a Bachelor of Science or Bachelor of Arts degree. The choice of a B.S. or B.A. may be dependent on the student's area of study or second major. The B.A. for elementary and special education majors requires two years of college-level foreign language. Students majoring in music earn a Bachelor of Music degree.

Nebraska Wesleyan's education programs are approved by the Nebraska Department of Education and accredited by the National Council for Accreditation of Teacher Education.

### Teacher Certification Requirements

Candidates for teacher certification must earn in residence at least 30 hours of credit, 12 hours of which must be in each endorsement program.

All students who expect to be recommended for teacher certification must become candidates in the department's Teacher Education Program. Once a student has applied for candidacy in the program, the student must schedule coursework with an adviser in the education department and in the student's teaching subjects or field. After a student fulfills the requirements or a degree for graduation and for the Teacher Education Program, the student may be recommended for a teaching certificate by the certification officer in the Education Department. The Career Center assists prospective teachers in securing teaching contracts but does not guarantee employment.

### Teaching Endorsements

Teaching endorsements are divided into two categories: subjects and fields. Candidates must complete at least one subject endorsement or one field endorsement to become certified.

#### Subject Endorsement

Candidates who are preparing for a subject endorsement should choose from the following list: general art, basic business, biology, chemistry, English, history, instrumental music, physics, theatre, vocal music and world language (French, German, Spanish). See the education department for details.

#### Field Endorsement

To be certified, a candidate who is preparing for a field endorsement must choose one of the following fields: art; business, marketing and information technology; elementary education; health and physical education; language arts; mathematics; middle grades; music (combination); natural sciences; physical science, social science, and special education-mild/moderate disabilities. See the education department for details.

The department offers supplementary certificates in coaching and English language learning (English as a second language). See the education department for details.

## Pass/Fail Policy

Education department courses are not offered on a Pass/Fail basis except for a field experience.

## Supervised Teaching

A variety of supervised teaching (commonly called student teaching) opportunities are offered for students in education. These individuals may student teach in the Lincoln Public Schools, neighboring communities, in Chicago's urban schools, or abroad. A minimum of 14 semester hours of supervised teaching is required for graduation.

### Supervised Teaching Abroad

Nebraska Wesleyan's supervised teaching program allows students to complete eight weeks of their student teaching requirement in Australia, New Zealand, Taiwan, Germany, Spain, England, Ireland, Costa Rica, Scotland, Wales, or India. Students interested in teaching abroad should apply to the department one year in advance. Students should contact the department chair for details.

### Supervised Teaching through the Chicago Center for Urban Life and Culture

Student teaching in an urban environment in Chicago may be available as part of the Chicago Center for Urban Life and Culture. Along with student teaching, students attend seminars that introduce them to the city. Students should contact the department chair for details.

## Courses

### EDUC 001 Introduction to Education in the United States (2 hours)

A course providing a broad, general survey of education in the United States, designed to help students decide whether to continue coursework in professional education. This course is a prerequisite to further work in the department.

(Normally offered each semester.)

### EDUC 075 Field Experience (1 hours)

A course designed to allow students an opportunity to determine if they have a talent for teaching. Students will be assigned to assist a preschool, elementary, or secondary school teacher for a designated period of time each week. May be repeated a maximum of three times.

Pass/Fail only.

*Pre or corequisite(s): EDUC-001.*

(Normally offered each semester.)

### EDUC 077 Field Experience (1 hours)

The course is designed to provide students with an exploratory experience in preschool or kindergarten. Students will be assigned to assist teachers for a designated period of time each week. May be repeated a maximum of three times.

Pass/Fail only.

*Pre or corequisite(s): EDUC-001.*

### EDUC 100 Art in the Elementary School (3 hours)

See ART-100.

### EDUC 105 Human Development and Learning I (2 hours)

A course designed to acquaint students with the basic principles of growth and all phases of human development. Students will be required to assist an elementary or secondary teacher for a 50-minute period twice a week.

*Pre or corequisite(s): EDUC-001 or permission of the instructor.*

(Normally offered each semester.)

#### EDUC 105L Human Development and Learning I Laboratory (0 hours)

Students observe/assist in educational settings associated with our P-12 school system.

*Corequisite(s): EDUC-105.*

(Normally offered each semester.)

#### EDUC 106 Human Development and Learning II (2 hours)

A continuation of EDUC-105 with emphasis on the principles of learning and their application in the field of education. Secondary students will be required to assist a school teacher for a 50-minute period twice a week.

*Pre or corequisite(s): EDUC-001 and EDUC-105, or permission of the instructor.*

(Normally offered each spring semester.)

#### EDUC 106L Human Development and Learning II Laboratory (0 hours)

Students observe/assist in secondary level school settings. Only students seeking 7-12 certification complete this lab.

*Corequisite(s): EDUC-106.*

(Normally offered each spring semester.)

#### EDUC 108 Introduction to Early Childhood Education (3 hours)

A course designed for those who are concerned with teaching children from birth through age eight. The content will integrate knowledge about child growth and development into the process of preparing a meaningful educational program for young children. A unit on educational assessment and interpretation of results is also included.

#### EDUC 109 Reading Theory (2 hours)

This course serves as a theoretical foundation for the Reading and Language Arts Methods course. The students will define reading and discuss the purposeful nature of reading. The class presents a survey of the various theories of reading acquisition and familiarizes students with specific theories. It will encourage students to begin forming their own philosophy about the reading process. The State Standards for Reading and Writing will be presented and explored for their connections to theory and practice. The interconnectedness of listening, speaking, reading, and writing will be explored. This course will begin to build the bridge between theory and classroom application.

(Normally offered each spring semester.)

#### EDUC 121 Music Methods and Materials for Elementary Teachers (2 hours)

See MUSIC-121.

#### EDUC 150 English Language Learners in the 21st Century Classroom (3 hours)

This course is designed to familiarize students with the learning processes of English language learners, including their understanding of the new culture and its educational system. Students will demonstrate knowledge of basic federal and state laws related to limited English proficient students, as well as demonstrate knowledge of ways to create linkages with students' families that enhance their educational experiences. Practicum experiences will allow students to engage in reflective thinking by analyzing, evaluating, and strengthening their professional practice. The course structure combines lectures, discussions, required readings, practicum experiences, and a practical application of skills.

#### EDUC 168 Literature for Children and Youth (3 hours)

An introduction to and survey of the genres of literature for children, along with the place of children's literature in the curriculum and the evaluation of the literary worth of children's books. Opportunity to design trade book activities is provided by a lab

experience.

(Normally offered each spring semester.)

#### EDUC 169 Learning Resources for Young Adults (3 hours)

A survey study of instructional materials of special interest to the junior and senior high school age. Examination of various sources of print and nonprint materials. Includes bibliotherapy, book-talk techniques, notable authors/producers, and prize winning materials. Discussion of censorship, controversial issues, selection criteria, and the tools to keep abreast of the field.

#### EDUC 185 Education in a Pluralistic Society (3 hours)

This course, which meets the Nebraska Human Relations Training requirement for teacher certification, focuses on the history, culture, and contributions of African Americans, Native Americans, Asian Americans, and Hispanics. In addition, it seeks to sensitize students to dehumanizing biases experienced by groups due to race, ethnicity, gender, social class, religion, exceptionality, sexual orientation, and language background.

*Prerequisite(s): Declaration of education major (Elementary Education, Special Education, Middle Grades Education) or a K-12/7-12 Teacher Education Certification program in the Registrar's Office.*

#### EDUC 187 Instructional Technology (3 hours)

See SPED-187.

#### EDUC 190 Selected Topics (1-5 hours)

A course designed to treat subject matter not covered in other standard courses or to provide study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.

*Prerequisite(s): Approval of the department chair.*

#### EDUC 196 Special Projects (1 hours)

An opportunity for a student to engage in an individually arranged project supervised by a member of the faculty.

*Prerequisite(s): Approval of the department chair.*

#### EDUC 200 Art in the Secondary School (3 hours)

See ART-200.

#### EDUC 204 Methods for Teaching Modern Languages K-6 (3 hours)

A study of a variety of methods as well as curriculum design/implementation for successful teaching of modern languages in the elementary classroom. Materials are evaluated as well as created to enhance learning. French, German, Japanese, and Spanish are included.

*Prerequisite(s): Acceptance into the Teacher Education program or permission of the department chair.*

#### EDUC 213 Educational Assessments: Secondary (3 hours)

A study of teacher-made, informal tests as well as formal, standardized tests. Students learn to devise assessment instruments for evaluation purposes. They also learn to administer, score, and interpret the results of standardized tests.

*Prerequisite(s): Acceptance in the Teacher Education Program or permission of the department chair.*

(Normally offered each semester.)

#### EDUC 214 Methods for Teaching Modern Languages in Middle and Secondary Schools (3 hours)

#### EDUC 245 Methods for Teaching Literacy in Elementary and Middle Grades (4 hours)

A course focusing on planning, teaching, and assessing the four broad areas of literacy: listening, speaking, reading, and writing. The course includes writing plans that address objectives and standards, and meeting the needs of individual students. Teaching includes a variety of methodologies: basal series, direct instruction, holistic approaches, and balanced instruction. Effective listening, speaking, and writing through knowledge and proficiency in grammar usage, spelling, and handwriting are covered. Students gather information and experiences throughout the semester to form their own philosophies of teaching and assessing literacy. A unit on educational assessment and interpretation of results is also included. Includes 25 hours of practicum experience.

*Prerequisite(s): EDUC-109 and acceptance into the Teacher Education Program, or permission of the department chair.*

*Corequisite(s): SPED-248.*

#### EDUC 246 Methods Practicum (2 hours)

A practicum opportunity allowing students to practice the planning, teaching, assessment, and dispositions that are presented in methods classes.

*Pre or corequisite(s): EDUC-240, EDUC-242, EDUC-244, EDUC-245, SPED-246, SPED-248, and SPED-270.*

#### EDUC 246A Elementary Literacy Methods Practicum (1 hours)

A practicum opportunity allowing students to practice the planning, teaching, assessment, and dispositions that are presented in methods classes.

*Pre or corequisite(s): EDUC-240, EDUC-242, EDUC-244, EDUC-245, SPED-246, SPED-248, and SPED-270.*

#### EDUC 246B Elementary Math Methods Practicum (1 hours)

A practicum opportunity allowing students to practice the planning, teaching, assessment, and dispositions that are presented in methods classes.

*Pre or corequisite(s): EDUC-240, EDUC-242, EDUC-244, EDUC-245, SPED-246, SPED-248, and SPED-270.*

#### EDUC 250 Curriculum and Assessment for Teaching English Language Learners (3 hours)

This course is designed to familiarize students with effective research-based methods for designing curriculum and assessments for English language learners. Key concepts addressed in this course include language development in the learning domains of reading, writing, listening, and speaking. Students will demonstrate knowledge of basic federal and state laws related to limited English proficient students, as well as demonstrate knowledge of ways to create linkages with students' families that enhance their educational experiences. Practicum experiences will allow students to engage in reflective thinking by analyzing, evaluating, and strengthening their professional practice. The course structure combines lectures, discussions, required readings, and a practical application of skills.

#### EDUC 251 Methods for Teaching English Language Learners (3 hours)

This course is designed to familiarize students with effective research-based methods for instructing English language learners, including scaffolding instruction in mainstream content-area courses. Students will demonstrate knowledge of basic federal and state laws related to limited English proficient students, as well as demonstrate knowledge of ways to create linkages with students' families that enhance their educational experiences. Practicum experiences will allow students to engage in reflective thinking by analyzing, evaluating, and strengthening their professional practice. The course structure combines lectures, discussions, required readings, practicum experiences, and a practical application of skills.

#### EDUC 260 Methods for Teaching English in Middle and Secondary Grades (1-3 hours)

A diagnostic view of all elements pertinent to teaching English in middle and secondary schools. Strong practical emphasis will be placed on the proportional and organized development of middle and secondary English courses, realistic presentation of materials, and the practical and varied methods of testing appropriate to such courses.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

#### EDUC 264 Methods for Teaching Social Sciences in Middle and Secondary Schools (3 hours)

Designed for middle and secondary education students working toward certification in one of the following social science fields: economics, general social studies, history, political science, psychology, and sociology.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

(Normally offered each fall semester.)

*Prerequisite(s): Completion of preliminary student teaching requirements or approval of the department chair.*

#### **EDUC 285 Supervised Teaching in the Middle Grades (7 hours)**

Students work with one or more regular teachers in a middle grades classroom. They attend the student teaching seminar and conference with their college supervisor as directed.

*Prerequisite(s): Completion of preliminary student teaching requirements or approval of the department chair.*

#### **EDUC 286 Classroom Management and Discipline for all Students (1 hours)**

This course focuses on various attitudes, behaviors, and techniques which lead to effective classroom management. Students will engage in critical thinking and reflection as they review and develop effective classroom management practices.

*Prerequisite(s): Acceptance into the Teacher Education Program or approval of the department chair.*

(Normally offered each fall semester.)

#### **EDUC 287 Supervised Teaching in the Secondary School (1 hours)**

Students work with one or more regular teachers in a secondary school. They attend the student teaching seminar and conference with their college supervisor as directed.

*Prerequisite(s): Completion of preliminary student teaching requirements or approval of the department chair.*

#### **EDUC 289 Urban Student Teaching Semester (14 hours)**

The Chicago Center for Urban Life and Culture project is a semester-long program that involves both interdisciplinary class work and field experiences in Chicago, Illinois, including full-time student teaching. The semester program will replace certain teacher certification program requirements as determined by the department chair.

*Prerequisite(s): Students must meet the preliminary requirements for student teaching, be approved by the education department and the chair of the department in which the student is majoring, and be accepted by the Chicago Center Program Director.*

#### **EDUC 290 Selected Topics (1-5 hours)**

A course designed to treat subject matter not covered in other standard courses, or to provide advanced study of subject matter introduced in other courses. The title, content, and credit hours will be determined by current mutual interests of faculty and students.

*Prerequisite(s): Approval of the department chair.*

#### **EDUC 296 Special Projects (1 hours)**

An opportunity for a student to engage in an individually arranged project supervised by a member of the faculty.

*Prerequisite(s): Approval of the department chair.*

#### EDUC 299 Student Teaching Seminar (1 hours)

A capstone course that meets biweekly for two hours to focus on two areas: first, to provide a structured and safe environment to dialogue about student teaching successes and concerns; and second, invited speakers, students and the instructor will discuss topics most pertinent to student teaching, how to obtain a teaching position, and critical issues for the beginning teacher. Topics include educational law, morals and ethics, student/teacher/parent rights and responsibilities, establishing and maintaining positive communication with the staff and community, as well as interviewing and job search skills.

*Corequisite(s): Student teaching or permission of the department chair.*

(Normally offered each semester.)

#### EDUC 505 Intercultural Communication for Educators (3 hours)

Intercultural Communication for Educators will introduce students to the cultural differences that influence the exchange of meaning between people of different cultural backgrounds. The study of what culture is, where culture comes from, and how culture manifests itself in every day life will be the heart of this course. A myriad of strategies and skills for successfully communicating across cultures in the classroom (as well as other contexts) will be explored and practiced.

*Prerequisite(s): Bachelor's degree.*

#### EDUC 520 Curriculum Design-Teaching ELL (3 hours)

This course is designed to familiarize students with aspects of curriculum design as they pertain to the education of English language learners. Students will develop appropriate content-area learner goals, as well as design curricula and instruction that facilitates student learning while building upon the students prior knowledge, linguistic diversity, and cultural diversity. Instructional strategies will be developed that promote language development. Assessment methods will be introduced and evaluated to obtain useful information about students' placement, learning, and development. The course structure combines lectures, discussions, required readings, online activities, and a practical application of skills as demonstrated through projects and presentations.

*Prerequisite(s): EDUC-505.*

#### EDUC 521 Linguistics for Teaching ELL (3 hours)

Students study principles of linguistic analysis and apply them to teaching. Topics include: English phonetics and phonology, morphology, syntax, semantics, and subfields of linguistics such as sociolinguistics (regional and ethnic dialects, issues of gender), historical linguistics, psycholinguistics (language acquisition, language and the brain), and pedagogies of English Language Learning.

*Prerequisite(s): Bachelor's degree.*

A study of a variety of methods for teaching English as a Second Language in K-12 education. This course focuses on planning and teaching language and the application to both ESL and content areas. This course is designed for students who are working toward their ESL endorsement.

#### EDUC 597 Education Internship (1-3 hours)

Students are given the opportunity to teach elementary or high school English language learners. A Teaching Practicum Portfolio is assembled as part of the course requirements.

*Prerequisites: EDUC-505, EDUC-520, EDUC-521 and EDUC-522.*

#### GEOG 051 Physical Geography (3 hours)

A course that introduces modern geography and examines spatial relationships among such physical phenomena as climate, topography, soils, and vegetation.

#### GEOG 052 Cultural Geography (3 hours)

A course that examines the spatial relationships of such phenomena as population, economic activity, and societal groups.

### SPED 076 Field Experience (1 hours)

A course designed to allow students an opportunity to assist a preschool, elementary, middle grades, or junior high special education teacher for a designated period of time each week. May be repeated a maximum of three times.

Pass/Fail only.

*Corequisite(s): SPED-107 for special education majors.*

### SPED 107 Understanding Human Differences (3 hours)

This course provides an overview of basic concepts related to the inclusive education of differently abled students. A broad understanding of a range of low and high incidence disabilities will be explored. Historical factors, legislation, litigation, service delivery models, and cross-cultural issues are examined in the course. Students will complete a fieldwork experience that will allow them an opportunity to assist kindergarten, elementary, middle school, or junior high special education students for a designated period of time.

### SPED 118 Learning Strategies I: Direct Instruction Methods (3 hours)

Students will learn to develop and deliver specific academic and social curriculum using Direct Instruction/Behaviorist methodology. Demonstration of competence of instructional design and evaluation within a Direct Instruction/Behaviorist model is emphasized in relation to students with mild/moderate disabilities. Students may complete a fieldwork experience that will allow students an opportunity to assist a preschool, elementary, or middle school education teacher for a designated period of time using these instructional methods.

### SPED 119 Learning Strategies II: Strategy Training (3 hours)

Students will learn to develop and deliver specific academic and social curriculum using Cognitive Strategy methodology. Demonstration of competence of instructional design and evaluation within a Cognitive Strategy framework is emphasized for students with mild/moderate disabilities. Students may complete fieldwork experience that will allow them an opportunity to assist a preschool, elementary, or middle school special education teacher for a designated period of time using these instructional methods.

### SPED 120 Learning Strategies III: Cooperative Learning (3 hours)

Students will learn to develop and deliver specific academic and social curriculum using Social Learning theory and methodology. Demonstration of competence in instructional design and evaluation with a Social Learning theory model is emphasized for students with mild/moderate disabilities. Students may complete a fieldwork experience that will allow them an opportunity to assist a preschool, elementary, or middle school special education teacher for a designated period of time using these instructional methods.

### SPED 187 Instructional and Adaptive Technology (3 hours)

This course is the study of the various forms of instructional technology available to today's educators. Instructional technologies include computers, data bases, wireless telecommunication, augmentative communication software, literacy, and mathematic support software. Specific emphasis is placed on those forms of adaptive technology that will assist the teaching and learning of students with mild/moderate disabilities.

### SPED 196 Special Projects (1-15 hours)

An opportunity for a student to engage in an individually-arranged project supervised by a member of the faculty.

*Prerequisite(s): Approval of the department chair.*

### SPED 207 Methods for Teaching Secondary Students with Disabilities (3 hours)

A course designed to acquaint secondary education students with appropriate teaching strategies and methodologies for the regular classroom when teaching students who are gifted or have mild/moderate disabilities. Legal responsibilities and obligations concerning both populations are also discussed. A field experience is included as part of this course.

### SPED 216 Assessment (2 hours)

This course is a study of the informal and formal techniques and instruments for assessing children/youth for a variety of functions across multiple curriculum areas. Primary focus will be on effective tools for the identification and support of children/youth with mild/moderate disabilities.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

#### SPED 246 Methods Practicum (1 hours)

A practicum opportunity allowing students to practice adapting lessons for children with exceptionalities.

*Prerequisite(s) or corequisite(s): EDUC-240, EDUC-242, EDUC-244, EDUC-245, EDUC-246, SPED-248, SPED-270*

#### SPED 248 Curriculum Adaptions for Language Art Methods (1 hours)

As a corequisite with Education 245, this course will involve the critical study of materials, curriculum, and effective instruction used in teaching children and youth with mild/moderate disabilities.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

*Corequisite(s): EDUC-245.*

#### SPED 257 Legal Issues in Special Education (2 hours)

This course provides students with knowledge of national, state, and local laws, policies, procedures, and resources that affect the definition of disability and the ensuing education programs for students with mild/moderate disabilities. Models of social and personal advocacy will form a critical foundation for development of a personal consultation model. Students will reflect their understanding of these issues through the development of Individual Education Plans, Transition Plans, and School Service Plans for students with mild/moderate disabilities.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

#### SPED 268 Education of Preschool Children who are Handicapped (2 hours)

This course provides an overview of the basic concepts related to early intervention and an in-depth study of instructional programming for infants and preschoolers with disabilities. Historical factors, legislation, assessment, and collaboration skills with other professionals and families are examples of topics emphasized.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

#### SPED 270 Curriculum Adaptions for Math and Science Methods (1 hours)

As a corequisite of EDUC-240 and EDUC-244, this course involves the critical study of materials, curriculum and effective instruction used in teaching children and youth with mild/moderate disabilities.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

*Corequisite(s): EDUC-240 and EDUC-244.*

#### SPED 271 Creating Support for Safe Schools (2 hours)

This course provides an intensive study of ways that collaborative practice can support children with emotional/behavioral needs. An emphasis of the course will be on the creation of safe schools through cognitive, behavioral, and social support strategies.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*

#### SPED 277 Special Education Practicum (14 hours)

Students are given the opportunity to teach children/youth who have mild/moderate disabilities in the elementary and middle grades. They teach a full day during all the Nebraska Wesleyan semester.

*Prerequisite(s): Completion of preliminary student teaching requirements and approval of the department chair.*

#### SPED 285 Supervised Teaching in Mildly/Moderately Handicapped Programs (7-12) (3 hours)

Students are given the opportunity to teach children who have mild/moderate disabilities in grades 7-12 for 10 weeks.

*Prerequisite(s): Completion of preliminary student teaching requirements and approval of the department chair.*

#### SPED 287 Special Education Practicum (3 hours)
