

Major:

Philosophy and Religion (B.A.)

The department offers a Bachelor of Arts (B.A.) degree with a major in Philosophy and Religion. If a student has a second major that requires a Bachelor of Science degree, the department may approve a B.S. degree.

Majors and minors have the option of blending courses between philosophy and religion. Graduating majors will complete a traditional thesis with opportunities for public presentation and publication, or a culminating project with real-world focus and opportunities for practicum.
