

# Archway Curriculum - Traditional Program

## Archway Curriculum

*The Archway Curriculum integrates learning across disciplinary boundaries, enhances learning through non-classroom experiences, and weaves skill development throughout the academic program. Students will have frequent opportunities to develop fundamental skills in communicating effectively and thinking critically. Through this curriculum, students will be exposed to a broad range of topics and perspectives, enhancing their understanding of the world.*

- Except for the Archway Seminar, any course in the Archway Curriculum may count in a major or minor, as appropriate.
- Any course that is listed in multiple areas within Archway Curriculum may be counted by a student in all the applicable areas.
- Students may take only one course pass/fail (grade of P\*) in the Archway Curriculum. That course must be in the Foundational Literacies. [Note: if the course is also used for student's major or minor, taking the course pass/fail is not allowed.]
- For students entering Nebraska Wesleyan with a baccalaureate degree from an accredited institution, the Archway Curriculum is waived.
- Further information about the goals and purpose statements for each Archway Curriculum area can be found [here](#).

## EXPERIENTIAL LEARNING

*Experiential Learning integrates co-curricular experiences into academics in order to expand, deepen, and apply students' classroom learning.*

Students must complete one Exploratory Experiential Learning activity (which usually requires at least 20 hours within the first two years at Nebraska Wesleyan University) and one Intensive Experiential Learning activity (which usually requires at least 45 hours and is usually taken within the last two years at Nebraska Wesleyan University), or may choose to complete two Intensive Experiential Learning activities. Courses that contain these experiential activities are as follows:

Students who transfer to Nebraska Wesleyan with 58 or more credits earned since high school graduation or GED completion have the Exploratory Experiential Learning activity requirement waived.
