### Departments/Programs:

Communication Studies

This course is a general introduction to research methods most commonly used in the Communication discipline. Students will learn how to identify and use qualitative, quantitative, and rhetorical methods; read, understand, and evaluate research arguments for each type of inquiry, and use communication-related topics for a literature review.

*Prerequisite(s): Sophomore standing and COMM-130 (may be taken concurrently) or permission of instructor.*

(Normally offered each fall semester.)
