English

A survey of British literature designed as a foundation course for majors. Its aim is to provide a historical perspective of British writers and genres, from the beginnings of the Romantic Movement to the present.

*Prerequisite(s): ENG 001 English Language and Writing and a Masterpieces of Literature course (ENG 101 Masterpieces of Literature, HIST 116 Western Civilization through Literature 1500 - Present, MLANG 134 Masterpieces of European Literature, or THTRE 101 Masterpieces of Dramatic Literature).*
