MATH-212	
Senior Comprehensive	
CMPSC-240 or CMPSC-299 (not used above in electives)	3 hours

An approved supporting program of 20 hours that includes two of MATH-105, MATH-106, MATH-111, and MATH-210 is required. Cooperatively designed by the student, advisor, and department chair, the supporting program may overlap with one or more minors or a second major.

For the mathematics and computer science majors, the B.A. degree requires a minor from the humanities or arts, or more than 50 percent of the supporting program from these areas, while the B.S. degree requires a minor from the natural or social sciences, or more than 50 percent of the supporting program from these areas.
