Project Management Certificate

Departments/Programs:

Professional Development (Adult Undergraduate)

The Project Management program provides students with:

- Fundamental project management concepts,
- Training in Microsoft Project and other tools, and
- Skills needed for a lucrative career in project management.

Obtaining the Nebraska Wesleyan Project Management Certificate provides a good foundation for going on to get the **Project Management Professional (PMP®)** or the **Certified Associate in Project Management (CAPM®)** certifications from the **Project Management Institute (PMI®)**, which is a separate entity from Nebraska Wesleyan University. Project Management Certificate Paths

- To obtain the NWU Project Management Certificate, a student must complete PRO-201 through PRO-206.
- **If you have at least 3 years of project management experience**, you may substitute PRO-239 for PRO-205 and PRO-206—with instructor approval.

Requirements for Taking a Standalone PRO 239 PMP® Preparation Course

If you believe that you have adequate project management experience and education and just want to take PRO-239 course to prepare for the PMP® exam, contact Melissa McCoy at 402.465.2330 or email her at mmccoy@nebrwesleyan.edu.

Requirements for Taking the CAPM® Preparation Course

For students who do not have the 3 years of experience required for PMP® certification, NWU offers the PRO-209 course as an elective in project management that a student can take—**after completing the 12 hour certificate program.**
