

FORSC 516 Crime Scene House Practical

2 hours

Majors (Grad)

Master of Forensic Science

Master of Science in Forensic Science

Departments/Programs:

Forensic Science

This course presents the student with a crime to investigate from beginning to end. Students are assigned to groups that include representatives from the behavioral sciences, biology/chemistry, and investigative sciences tracks. Each team will be assigned a case to work for the duration of the course. This will include processing the scene, processing and evaluating evidence, developing victim and offender profiles, following up on leads, and seeing the case through to completion in a moot grand jury.

Prerequisite(s): Satisfactory completion of FORSC-505, FORSC-506, FORSC-507, FORSC-508, FORSC-509, and FORSC-597.
