Nebraska Wesleyan University

FORSC 522 Violence in Society

Catalog

2012-2013

Course Description

Are there societal trends that explain violence against women, school shootings, and intrafamilial homicide? This course will look at violence in the United States in the context of changing roles and values, with a special focus on predicting violence.

Prerequisite(s): FORSC 515 Advanced Crime Scene Investigation or FORSC 540 Analytical Science as Bases for Investigation with grades of "B-" or better.
