Nebraska Wesleyan University

HHP 260 Planning and Implementing Middle and Secondary Physical Education Programs (7-12)

Catalog

2012-2013

Course Description

A course designed for students interested in teaching middle and/or secondary physical education. Topics include curriculum development, teaching goals and objectives, curriculum guide and lesson plans, constructing and using evaluation tools and measures, and methods and materials (including technology) used in teaching middle and/or secondary physical education. A 10-hour practicum experience in the middle and/or secondary physical education class setting is required.

Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair, and junior standing.

(Normally offered every odd spring semester.)
