Nebraska Wesleyan University

MATH 105 Calculus I

Catalog

2012-2013

Course Description

An introduction to calculus of a single variable. Topics include limits, continuity, differentiation, and beginning integration with applications. Assignments are given that help build proficiency in the use of a computer algebra system.

Prerequisite(s): Appropriate placement score or grade of "C" or better in MATH 050 Pre-Calculus.

(Normally offered each semester.)
