

Course:

NURS 540 Nursing Leadership and Management I

3 hours

Majors (Grad)

Master of Science in Nursing (BSN to MSN)

Master of Science in Nursing (RN to MSN)

Departments/Programs:

Nursing (Adult Undergraduate and Graduate)

This course examines the multiple roles of the nurse executive in a variety of health care organizations, including long term care, community based care, hospitals and larger integrated delivery systems. Students develop knowledge in the area of health care regulations and accreditation including the impact of technology in the health care environment.

Prerequisite(s): NURS 510 Transcultural Health Care.
