Stage Management is an introductory course in production management. Students will be introduced to the basic guidelines and techniques for stage managing theatre productions including: communication skills, collaboration skills, rehearsal management, assembling the stage manager's cue and production book, and tech rehearsal/production run management. Students will also learn about professional stage management and Equity rules, guidelines, and membership. It is anticipated that each class member will serve as a stage manager for a university production and submit a detailed cue and production book.
