A capstone design studio course focusing on scenery, costume and lighting design for the theatre. Students will design the entire visual world of a multi-act drama, comedy or musical from contemporary or historical periods, approved by the instructor, creating standard designer communication documents including sketches, renderings, a finished model and drafting. Additionally, students will work collaboratively with a faculty director to design one or more elements of realized production. The course emphasizes script analysis, visual research in the design process and designer/director communication. Students will assemble a portfolio documenting their designs.

Prerequisite(s): THTRE-188 and instructor permission.
