Economics majors must also complete a department approved mathematics course (MATH 010 College Algebra, MATH 050 Pre-Calculus, MATH 060 Calculus for Management, Biological, and Social Sciences, or MATH 105 Calculus I). A department-approved supporting program with a minimum of 12 hours outside the economics major is required. MATH 060 Calculus for Management, Biological, and Social Sciences or MATH 105 Calculus I is strongly recommended for students considering graduate school.
