

Major:

Mathematics (B.A., B.S.)

Departments/Programs:

Mathematics and Computer Science

Mathematics Major (B.A. or B.S., 39-40 hours)

Courses	
MATH-105	MATH-105
MATH-106	MATH-106
MATH-111	MATH-111
MATH-204	MATH-204
MATH-206	MATH-206
MATH-210	MATH-210
MATH-212 or MATH-227	3 hours
MATH-230	MATH-230
MATH-235	MATH-235
MATH-240	MATH-240
Math electives	
	3-4 hours
Not taken from:	
MATH-200	
MATH-207	
MATH-209	
MATH-212	
MATH-221	
MATH-224	
MATH-227	
MATH-231	
MATH-290	
Senior Comprehensive:	
MATH-299	3 hours

Students seeking an education field endorsement in mathematics follow the above requirements with the following changes:

- Take MATH-221 rather than MATH-240.
- Take EDUC-287 rather than MATH-299.
- May use MATH-240 or MATH-299 as part of the 3-4 hours of mathematics electives.

See the Nebraska Wesleyan University Department of Education for information regarding education courses required for teaching certification.

An approved supporting program of 20 hours that includes CMPSC-040 is also required for all Mathematics majors. Cooperatively designed by the student and advisor, the supporting program may overlap with one or more minors or a second major.

For the mathematics and computer science majors, the B.A. degree requires a minor from the humanities or arts, or more than 50 percent of the supporting program from these areas, while the B.S. degree requires a minor from the natural or social sciences, or more than 50 percent of the supporting program from these areas. Mathematics majors seeking an education endorsement whose supporting program consists of education courses will receive a B.S. degree.
