Nebraska Wesleyan University

Project Management Certificate

Catalog

2012-2013

Departments

1. Professional Development (Adult Undergraduate)

The Project Management program provides students with:

- Fundamental project management concepts,
- Training in Microsoft Project and other tools, and
- Skills needed for a lucrative career in project management.

Obtaining the Nebraska Wesleyan Project Management Certificate provides a good foundation for going on to get the Project Management Professional (PMPÂ®) or the Certified Associate in Project Management (CAPMÂ®) certifications from the Project Management Institute (PMIÂ®), which is a separate entity from Nebraska Wesleyan University. Read more about preparing for PMI certification.

Project Management Certificate Paths

- To obtain the NWU Project Management Certificate, a student must complete PRO 201 Introduction to Project Management through PRO 206 Project Management Independent Study.
- **If you have at least 3 years of project management experience**, you may substitute PRO 239 PMP Exam Preparation for PRO 205 Project Management Case Study and PRO 206 Project Management Independent Studyâ??with instructor approval.

Requirements for Taking a Standalone PRO 239 PMPÂ® Preparation Course

If you believe that you have adequate project management experience and education and just want to take PRO 239 PMP Exam Preparation course to prepare for the PMPÂ® exam, contact Melissa McCoy at 402.465.2330 or email her at mmccoy@nebrwesleyan.edu.

Requirements for Taking the CAPMÂ® Preparation Course

For students who do not have the 3 years of experience required for PMPÂ® certification, NWU offers the PRO 209 CAPM Exam Preparation course as an elective in project management that a student can takeâ??**after completing the 12 hour certificate program**.
