Nebraska Wesleyan University

BUS 242 Investments

Catalog

2013-2014

Course Description

Students are provided with a background in investments, including the types of securities available to investors today in the money and capital markets and the security markets where they are traded. Fixed income and equity securities are analyzed from a quantitative perspective. Additional topics include various approaches to common stock analysis and open and closed-end investment companies.

Prerequisite(s): BUS 240 or permission of the instructor.

Course Hours

3 hours
