**Majors**

Language Arts Education (B.A., B.S.)

**Minors**

Certificate in English Language Learning  
Secondary Education Endorsement

Departments/Programs:

Education (Undergraduate)

A diagnostic view of all elements pertinent to teaching English in middle and secondary schools. Strong practical emphasis will be placed on the proportional and organized development of middle and secondary English courses, realistic presentation of materials, and the practical and varied methods of testing appropriate to such courses.

*Prerequisite(s): Acceptance into the Teacher Education Program or permission of the department chair.*
