## **Nebraska Wesleyan University**

Catalog 2013-2014

## **FORSC 523 Document Analysis**

3 hours

## Majors (Grad)

Master of Forensic Science

## Departments/Programs:

Forensic Science

It has been said that over 90% of crimes involve some kind of document evidence. This course addresses handwriting analysis, paper and ink identification, and handwriting authentication and the use of documenting evidence as evidence.

Prerequisite(s): FORSC-515 or FORSC-540 with grades of "B-" or better.
