

Course:

GEND 250 Communication and Gender

3 hours

Majors, Minors & Degrees:

Majors

Gender Studies (B.A., B.S.)

Departments/Programs:

Gender Studies

This course offers an exploration of theories of the creation and perpetuation of gender and gender roles through communication. In turn, students will consider the question of the impact of gender on communication. Students will examine gender in a variety of contexts including families, schools, and media.
