

NURS 502 Health Care Statistics

3 hours

Majors (Grad)

Master of Science in Nursing (BSN to MSN)

Master of Science in Nursing (RN to MSN)

Departments/Programs:

Nursing (Adult Undergraduate and Graduate)

This course examines selected concepts needed to develop sound judgment about data analysis and appropriate use of statistics. The course prepares students to interpret and critically analyze the results of health care research.

Prerequisite(s): Undergraduate statistics course or permission of the program director.
