Nebraska Wesleyan University

PSYCH 001 Basic Psychological Science (Adult Undergraduate Only)

Catalog

2013-2014

Course Description

Lectures and demonstrations that present psychology as a science of behavior and mental processes. Emphasis is on the topics of scientific methodology, learning, memory, thinking, states of consciousness, language, sensation, perception, motivation, emotion, and the nervous system. Basic Psychological Science and Applied Psychological Science are not sequential. Basic Psychological Science may be taken prior to or following Applied Psychological Science.

(Normally offered each semester.)
