# SPAN 201 Spanish Conversation

## Catalog

2013-2014

## Course Description

Spanish 201 is a third-year course designed to provide guided practice in speaking Spanish. Class will be conducted entirely in Spanish. In this course we will build vocabulary and cultural understanding while we focus on the fundamental communicative skills necessary to natural, everyday conversation. Empahsis will be on realistic conversation and oral presentaiton of opinions and facts that closely resemble interaction required of studens living in a Spanish-speaking country or cultivating realationships with native Spanish speakers. Grammatical structures will be discussed as a support for oral communication. Prerequisite: Spanish Stage 4 or equivalent, or permission of Department. May not be taken after semester of study abroad.
