

Course:

**ART 3200 Digital Media 3**

**3 hours**

Departments/Programs:

Art

This course builds on the skills introduced in Digital Media 1 and 2 as well as Basic Design. Students will hone their video skills and design sensibility through self-designed projects with the supervision of the professor. Engagement with the surrounding community is an essential part of the course that connects student learning to the wider world.

*Prerequisite(s): ART 2200 Digital Media 2.*
