Psychology (B.A., B.S.)

Departments/Programs:

Psychology

This course, intended for the newly declared psychology major, is a reflection upon the historical development, the current state, and the future of psychology. The practicalities of being an undergraduate psychology major will be presented. Discussion of the student's future in psychology will emphasize professional issues related to graduate/professional school admission and employment opportunities after graduation.

Prerequisite(s): A major in psychology or permission of the instructor.

(Normally offered each spring semester.)
