GLST 2300 Greece: Tales from the Taverna

Catalog

2014-2015

Course Description

By meeting at a place with a casual atmosphere, we attempt to recreate the Greek taverna or family restaurant, a place where Greeks go to eat and talk and dance and "be Greek." During our meetings, we too will eat and dance and (primarily) explore the history, art, literature, politics, and folk traditions of modern Greece.
