Nebraska Wesleyan University

IDS 1000 Academic Success Seminar

Catalog

2014-2015

Course Description

This course is designed to help students achieve greater success in college and in their future lives. Students will learn and practice proven strategies in the areas of reading, writing, and note taking as well as test taking and managing finances. Taught in a discussion-oriented environment, this course helps students develop effective self-management and interdependence skills to improve their academic, professional, and personal success. Offered every semester.
(Normally offered each semester.)
