Nebraska Wesleyan University

Music Performance (B.M.)

Catalog

2014-2015

Program Description

In the Bachelor of Music degree with a music performance major, specialization and intensive study of the major instrument or voice are emphasized. Entering candidates will be accepted conditionally for two semesters. At the end of two semesters, a committee will determine the studentâ??s acceptance or rejection for further pursuit of the applied degree by means of a jury and an interview. In all cases, the audition committee will consist of at least four music faculty to be selected by the chair in consultation with the applied instructor. At least two members of the jury committee are to be related to the candidateâ??s field (woodwind, brass, strings, percussion, keyboard, or voice).

Any student wishing to change from a Bachelor of Music degree with a music education major to a Bachelor of Music degree with a music performance major must perform before a jury committee (see above), since a higher level of performance is required for the music performance major.
