Nebraska Wesleyan University

NURS 5990 Major Project in Nursing

Catalog

2014-2015

Course Description

This course is a culmination of the graduate nursing courses in which the student will develop, implement, and evaluate a multi-faceted program related to the student's M.S.N. speciality area. The program will be research-based and incorporate theories, skills, and methodologies from prior course work. Emphasis will be placed on target populations and the compatibility of the project with the mission and culture of the organization in which the project is being conducted. NURS 5990 Major Project in Nursing may not be repeated.
Prerequisite(s): All other courses in the designated MSN specialty area.
