*Students may waive specific general knowledge classes if it is determined they have sufficient academic background in the area. Waiver of general knowledge courses will be determined on a case-by-case basis based on transcript review and work experience. The first six credit hours (two courses) waived will count toward the 36-hour MBA requirement. Students must take a minimum of 30 graduate credits to earn an MBA. Additional general knowledge classes waived must be replaced by additional credit hours from other MBA courses.
**If you have not successfully completed a statistics course in your previous college coursework, you will need to complete a statistics course in the first year of the program to fulfill that knowledge area. Please plan to discuss options with the MBA program director.
